Communication

Parent Involvement is all about the children. Participation in your child's education is proven to boost his or her achievement in school. We are committed to treat parents as partners while keeping lines of communication open and focused on the needs of your child. Mutual trust and respect between parents and teachers is required to maintain a positive learning experience at any school. We believe that your trust in Union Park is required to ensure your child's success.

Behavioral Expectations

All District Rules will be adhered to at Union Park School. Please refer to the DVUSD Student Rights and Responsibilities Handbook. We believe that students must treat others with the same respect with which they are treated by the adults in our school. We also believe that student's actions, dress, possessions, etc., must not cause a problem for themselves or anyone else.

Every attempt is made to contact parents to discuss school problems before the student arrives home.

Grades

Grades are a reporting tool utilized to reflect what a student knows and is able to do in a content area. We measure achievement of standards in our grading systems.

Gradebook Guidelines

- Teachers are to maintain students' grades and progress on the District's electronic grade book program.
- Teacher grade books are auditable documents and are maintained digitally by network services.
- Every effort is made to record a minimum of one grade per week for each content area. The first week of school, district-wide assessments, and state testing weeks are allowable exceptions.
- Gradebooks are updated on a weekly basis.

N

- Progress reports will be sent home for students halfway through the quarter.

Student's Role in Learning

Students become self-directed in learning about themselves as a learner. They have to analyze their own study habits to figure out what actually works for them, this helps students retain knowledge.
