

STUDENT GOVERNMENT MEMBERS CODE OF CONDUCT

It is a privilege to be a member in DVHS Student Government. I understand I must follow the rules stated in the syllabus and below to remain a member in good standing in the program:

I will show respect to the school and follow all rules set forth by The Students Rights and Responsibilities Handbook.

I will show respect for others in the class, even though I will sometimes disagree with them.

I understand that my grade is based on participating in activities during and after school and will be responsible for attending those activities.

While each member has a specific “title”, we will work as a team to make Deer Valley the best it can be.

Social media expectations: Social media is anything that can be transmitted electronically. This includes but is not limited to text, email, Facebook, Twitter, Instagram, Snapchat, blogs, etc.

1. I will stay positive and refrain from foul language, explicit images, drug or alcohol references, cyber bullying, patterns of negativity and other inappropriate behavior including subtweets.
2. I must like/retweet and/or promote all announcements from the DV StuGo social media accounts. I may also favorite other official school accounts.
3. I must promote current StuGo sponsored activities.
4. I must accept/friend the official StuGo social media accounts.
5. During elections I **may not** endorse nor make comments about any candidate.

I understand that any actions unbecoming of a Student Government officer, such as but not limited to inappropriate use of a social website, cell phone, or other technology device, or a discipline infraction that results in a suspension, are grounds for dismissal from the class, as stated in the Student Government by-laws.
